

The following are instructions on how to use the biggestbook online catalog to send you requests to Multideskpr.com

1. Click on any of the links on our site that lead you to the online catalog.
2. Browse the catalog.
3. Once you have found the item or items that you would like more information on, add the item or items to My List.

The My List feature allows you to keep track of the products you have found on biggestbook.com. Print the selected product information for your records or email to your local business products supplier to request pricing.

Use My List To Create Your Products List

! biggestbook.com is an informational site only. Please contact your local business products supplier to order.

[Return to Product Details>>](#)

Qty.	Item#		Unit	List Price
1	! AVE-73721>>	HOLDER,CD/DVD ADHSVE,CR	PK	\$8.23

Update Quantities → Clear List → Email List → Print List →

4. Now click Email List and you will see the following window. Here is an example.

You have chosen to email the contents of your list.

You have chosen to email the contents of your list.

Simply input your email address and the list of people you would like to send your list to. Separate multiple email addresses with commas.
